

**PETITION FOR TRAFFIC CALMING STUDY**

The undersigned property owners hereby petition the Board of Supervisors of Newtown Township to consider the installation of traffic calming devices to mitigate speeding problems and/or cut-through traffic on:

---

Street name, block number, cross streets, etc., and Post Office

This action is deemed necessary to provide a reasonable quality of life on our street and alleviate problems the Petitioners have faced in regard to excessive speeds and/or volumes of traffic. By signing this petition, Petitioners hereby acknowledge that they have a basic understanding as to the effect of traffic calming devices as follows:

1. Traffic calming devices may require reduction of on-street parking.
2. In some cases, access to areas may be reduced to lower the volume of cut-through traffic.
3. In advance of each area, warning signs and support posts will be installed in the public right-of-way [typically six (6) inches behind the sidewalk.] Please note: The signs may be located within view of some property owners' residences.
4. Traffic calming devices may delay emergency services vehicles.

The Traffic Calming Policy of Newtown Township, which contains complete information on petition requirements, may be obtained by contacting the Township Manager's office at 610-356-0200 or via the Newtown Township website at [www.newtowntownship.org](http://www.newtowntownship.org).

Therefore, the undersigned petitioners in what has been defined as the "generally affected area" of possible traffic calming respectfully request of the Township of Newtown to schedule our street for a traffic calming study.
