

RESOLUTION NO. 2017 - 21

RESOLUTION FOR GRANT PROPOSAL

WHEREAS, the Township of Newtown, Delaware County, Pennsylvania recognizes the benefits of non-motorized transportation (also known as Active Transportation) which includes walking and bicycling, and variants such as small-wheeled transportation (strollers, carts), and wheelchair travel, and

WHEREAS, these benefits are traffic reduction, increased recreational opportunities, greater connectivity between open space and parks, commuting alternatives, enhanced commercial opportunities, a greater sense of community and increased home property values, and

WHEREAS, in support of these benefits, the Township of Newtown, Delaware County, Pennsylvania desires to be considered for a Pennsylvania Department of Conservation and Natural Resources grant, and

WHEREAS, the Township will submit a proposal to the Pennsylvania Department of Conservation and Natural Resources for funding of a Greenway and Open Space Network Plan, and

WHEREAS, any grant funding received will be equality matched by the Township, and

WHEREAS, if the grant is secured, the Township authorizes forty thousand dollars for the project, and

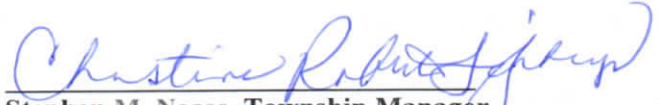

BE IT RESOLVED that the Supervisors of the Township of Newtown, Delaware County, Pennsylvania, in regular session, assembled on the 24th of April, 2017, so hereby approve this Resolution.

RESOLVED, this 24th day of April 2017.
